

Jordan Collao

UX Motion | Interaction Expert
UX/UI Designer | Design Engineer

Lima, Perú

TOOLS

Design & Prototyping

Figma | Framer | ProtoPie | Figma Make

AI-Native Design Workflow

Stitch | Google AI Studio | Antigravity/Cursor
Superbase | GitHub | Gemini/ChatGPT

Motion & Interaction

Rive | LottieFiles | After Effects | Jitter (AI)

Frontend & Implementation

HTML/CSS | Webflow | CodePen | Handoff

3D Design

Tripo3D | Spline | Blender | Cinema 4D

Testing

Maze | Hotjar

SKILLS & METHODS

Product & UX Skills

AI First Design
Epicenter Design
Interaction Design & Micro-interactions
Design Systems for Business
Motion Graphics 2D | 3D
Motion Specs for Development
Development for Handoff

Design Engineering

Design-to-Code Translation
Interaction Logic Validation
State Mapping & Edge Case Definition
Implementation-Aware UI Structuring
Motion Specs for Engineering

Methodologies

Agile / Scrum
Kanban
Design Sprint
Lean UX

EXPERIENCE

2026 **Grupo UNACEM** UI Designer Specialist Interaction Designer Design Engineer

- Applied an AI-First Design approach for research, ideation and early validation.
- Designed UI components and interfaces within a design system.
- Defined interaction behaviors, affordances and system feedback.
- Created Lottie/Rive animations for UI feedback and transitions.
- Built state-driven interactions in Rive for reusable components.
- Defined motion specs and interaction states for developer handoff.
- Applied an AI-driven workflow was implemented to accelerate the refinement stage.
- Defined interaction logic, state behavior, and system feedback architecture.
- Mapped edge cases and interaction states (loading, success, error, empty).
- Reduced design-to-development friction through structured handoff and AI-assisted prototyping workflows.

2023 **Digicem** UI Designer Senior Motion Designer Interaction Designer

- UI Design & Style Guide
- Design, documentation and interaction of components
- UI Animation (AE + AEUX + Bodymovin + LottieFiles)
- Complex UI Animation with Rive (state machine)
- Motion Specs parameters for development (AE + Inspector Spacetime)
- User testing with users (Figma + Maze)

2022 **Cencosud Chile** UX/UI Designer Senior Product Designer Design System Designer

- Userpersonas, Flowchart, Blueprint y Journey map
- UI Animation (AE + AEUX + Bodymovin + LottieFiles)
- Design, documentation and interaction of components
- Definition of Fundamentals for Design System (colors, typography, shadow, breakpoints, border radius, spacing and more)
- Leader of the design squad and ability to manage people to delegate activities prioritized in the sprint

2021 **Auna Latam** UI Designer UX Motion Designer Design System Designer

- UI Design & Style Guide
- Creation and optimization of icons and illustrations (AI + Sublime)
- Documentation of components for the Design System (Storybook)
- Design of Component Interactions (React / Android / iOS)
- Motion tokens for the Design System (CSS)
- Motion Specs parameters for development
- UI Animation (AE + AEUX + Bodymovin + LottieFiles)
- User testing (Maze / Useberry)

2020 **Caja Arequipa** UI Designer Motion Designer

- UI Design & Style Guide
- Component documentation (React)
- Documentation of breakpoint, type scale and 8 Point Grid System
- Interactive prototyping (Framer / ProtoPie)
- UI Animation (AE + LottieFiles)
- Motion graphics (Adobe After Effects)

2018 **Agency Ludik** Main Designer Motion Designer

- Social Media y Branding (PS, AI y AE)
- Game UI design for totems and activations (Sketch / Figma)
- Motion graphics (Adobe After Effects)

And I also worked as a freelance:

Product presentation video, ecommerce web design, experience and interface design for android & iOS, animations and interactions for products and a UI Voice for a fitness app.

EDUCATION

Motion Magic 2025

Ultimate Rive Course

LottieFiles 2025

LottieFiles for Figma Course
LottieFiles for Framer Course
LottieFiles for Webflow Course
LottieFiles for After Effetcs Course

Repensar Educativo 2022 - 2023

Specialized Product Design Program

FreeCodeCamp 2022

Responsive Web Design

Interaction Design Foundation 2022

Human-Computer Interaction
Affordances: Designing Intuitive

Awwwards 2021

Design Animation System

Continuum Academy (MEDU) 2020

UI Specialization | Storytelling Course

Coderhouse 2018 - 2020

UX/UI Design Course

Instituto Sise 2012 - 2017

Graphic Design
